

## QUALITY POLICY

We commit us to elaborate functional products based on carrageenan, alginate, fibers, and other gums, obtained from sustainable natural sources:

- Delivering superb textural solutions to our clients.
- Complying with all quality, safety, and security standards, in addition to the legal ones, for each market.
- Using standard processes from the acquisition of raw materials to the delivery of the final product.
- Maintaining a fluent communication with our customers, personnel, suppliers, and distributors to improve continuously.
- Assuring that all our personnel has the proper training to perform their activities, especially on food, health, and occupational safety.
